Harness the Power of Communications

Strategic Communications Planning • Communications Management •
Branding • Presentation Coaching • Website Development • Marketing •
Media Training • Print Design • Copy Writing • Online Learning Systems

Work Examples

Supporting the **University of Miami's** Department of Public Health Sciences with a range of strategic communication projects

Coordinating communications for the **New Americans Campaign**, a \$20M national consortium to encourage green card holders to become U.S. citizens

Rebranding the **Florida Institute for Health Innovation**

Helping the **Haas Jr. Fund** engage its next-generation family board members

Managing communications for the **Steve Fund**, the nation's only non-profit focused on the mental health of students of color

Coaching presenters and media training for **Knight Foundation**

Supporting communications for the **Everglades Outpost** wildlife rescue

Background

From 2007 to 2012, Marc Fest was Vice President of Communications for the John S. and James L. Knight Foundation, the world's leading foundation for innovation in communications and media.

From 2004 to 2006, he served as Vice President of Communications for the New World Symphony.

Marc has created grantimpact.org, a platform for online learning and one-on-one coaching to help foundation grantees harness the power of communications.

He is known for the Message House Method, used by businesses, government organizations and nonprofits in more than 70 countries to achieve more effective messaging. The free toolset is available at www.messagehouse.org.

Values

Acting like a **member of your team**, not like an "outside consultant"

Giving you our **best and unvarnished advice**

Being **pro-actively creative** to seize opportunities for you
